

# Heading Out Parents Workshop

## *“How to be your child’s champion”*

**When:** 10am to 2.30pm on Saturday 3rd August 2019

**Where:** Yarraville Trugo Club, 48 Fehon Street, Yarraville.

Heading Out Parents is an opportunity for you to share your experiences with other families and build your understanding of how to meet the complex needs of your family. The workshops utilise a collaborative education model between people with lived experiences and clinicians.

It will include onsite supervision of kids of all ages to provide both respite for you (if you are unable to access child minding on the day) and peer connections for your kids.

Following on from our workshop earlier this year, this event will delve deeper into the topic of identifying the key issues you are facing and creating plans to advocate for positive results. We have structured the day to allow more time for individual planning and it will be relevant all our parents as a follow up or as a starting point.

We have tried to find a location in the east but unfortunately, due to time constraints have not been able to find a suitable venue. We promise that we will do our best to run the next event in the east. We hope you’ll still come along!

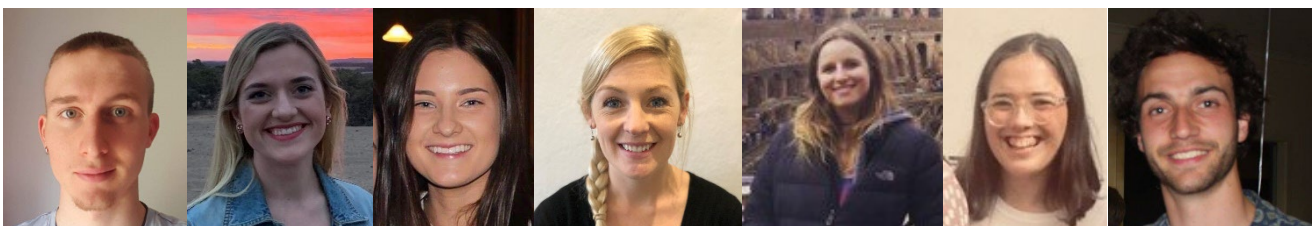

Invitations will be sent out soon but please save the date.

## Project HOPE - *Seeking participants*

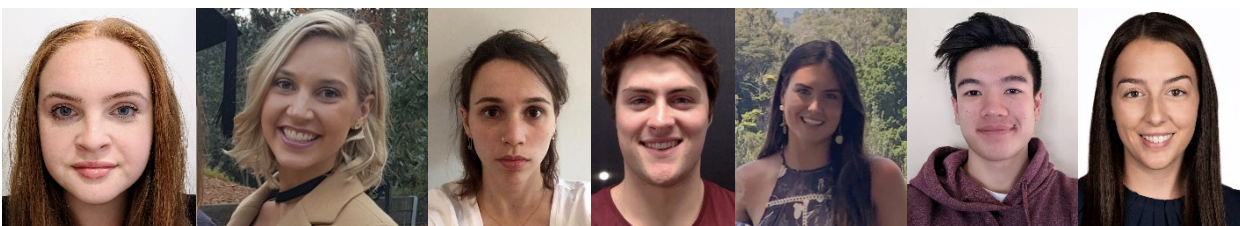

The focus of Project Hope is to provide accessible and engaging information in the acute setting for families dealing with brain injury. Over the next 6 months we will be creating family-based videos and podcasts to support families who are currently inpatients at the Royal Children’s Hospital. If you would like to be involved or would like more information please [sign up here](#)

## Welcome to our new Vols

These wonderful individuals have recently joined our Heads Together Family and came along to their first camp last weekend. We are super excited to welcome so many new faces!
